

VERITAS CHRISTIAN ACADEMY
PURSUING EXCELLENCE THROUGH FAITH, LOVE, AND REASON

Dear Veritas Staff, Families and Board,

We are writing to announce our mutual decision to begin the process of looking for a new Head of School at Veritas, with the goal of having one in place for the 2024-2025 school year.

By God's grace, Veritas has flourished over the last 13 years. We have grown from a small start-up of 44 students and 12 staff, to a thriving school with 198 students and 47 staff. We have been humbled by the generosity of our growing Veritas community, and are blessed to have the resources to invest in our faculty, staff, students, and facilities. We have also witnessed the demand for a Veritas education increase over the years, as we became known for being equally committed to authentic faith and academic excellence. Veritas is now poised for the next stage of growth, with an incredible faculty and staff, a vibrant and diverse school community, a strong financial position, and 10 acres of property in Wayland with plans to move middle school students to the new campus by 2024-2025.

We have prayed for years, asking the Lord for the right time and manner for a transition like this, knowing that it would be a 12-18 month process. Handing off leadership must be done carefully and wisely for the health of the school. It is best done while the school is stable and when the school has the resources to undertake a healthy transition. It is because Veritas is thriving in all of these ways, that we know this is the best time to begin the transition process - intentionally, gradually, and prayerfully.

It has been amazing to be part of Veritas' foundation and even more exciting to see it mature and outgrow its founders. We are both excited to help get everything in order so that the next leader can have a seamless transition.

Founding and growing Veritas together has been an incredible journey. There is no doubt that in our small decision to found a school, there was a bigger plan at work. We are so blessed to have experienced firsthand God's powerful leading of this school. It has and continues to be a source of overwhelming joy to see Veritas' unique mission and vision realized each day in the children who grow in confidence and faith, and the graduates who are giving their work and their hearts to the Lord.

This is, of course, a bittersweet decision, but not a difficult one. We look forward to joyfully walking alongside Veritas during the transition, and we are committed to Veritas long term in whatever ways the Lord may call us.

Please join with us in praying for our future Head of School, as we anticipate this next chapter of Veritas history.

Gratefully in Him,
Lisa and Cindy
