

## Run for the Future FAQ's for 2022

### Donations

- **Are donations per lap?** Donations made to your students are a flat rate, not per lap.
- **Can donors pay in cash or check?** Yes, if a donor wishes to make a donation in cash or check, please fill out the paper donation form so we can make sure to track funds raised, and say a proper thank you.
- **How do students turn in cash or check donations?** Students should place all cash/checks and the paper donation log in a sealed envelope. We will collect envelopes on Mondays.
- **What do the donations go towards?** The funds raised this year will go to scholarships for deserving families, and to the new property fund.

### Family Pages

- Siblings can create one page together. Please use one child's account to login, and simply ignore the other accounts.
- Badges and Prizes: funds earned, and donors achieved as a family will be divided equally among the siblings. I.e. Jane and Matt share a page. They have raised \$1000 from 10 donors. Jane will receive credit for \$500 and 5 donors, and so will Matt. Prizes will be awarded based on this system.
- Badge and Prize verification: Our automated badge reward system is unable to identify your children as a family team. Please be patient with us as we will have to automatically verify any badges earned as a family.

### Virtual Badges/Prizes

**Most badges will automatically be issued when the goal is achieved. However, a few badges have parameters that need to be verified by the run staff.**

- **Page Creator:** Unlock this badge by creating your Qgiv page. Write a thoughtful paragraph and/or add a video. Begin to share with family and friends.
